

Part-time Respite Program

This unique program was developed to meet the needs of families who do not need full-time (5 full days per week) care. Occasionally we can open up a space to a family needing full-time care but typically, within this program- the more hours of care you need the harder it can be to find.

There are 2 ways to use this program.

1) Regular User:- Families have the same times and days booked from week to week. As a regular user you are required to pay for your space regardless of your child's attendance.

Regular users must apply to the Centralized Waiting List via www.childcareinformation.ca

2) Casual/Respite User: Families use the space casually/when needed. Parents call in or email the part-time/respice office to inquire if a certain date and time is available. If it is available the family will be booked in. As a casual user you are required to pay for your space unless you provide us with 24 hours notice of cancellation. There is not a waiting list for casual spaces. It is handled on a first-come, first- served basis.
